

**Minutes of March 17, 2016**  
**PUBLIC WORKS, BUILDINGS AND GROUNDS COMMITTEE**

Members present: Dave Stellpflug, Amber Pellegrino, Connie Pasierb, Dave Molitor, Gary Nickerson  
Called to order at 6:02pm

Dave Stellpflug noted that no official Village business will be done due to a quorum of members present.

1. Discussion and/or action as required: Approval of the March 7, 2016 minutes.

Tabled not done

2. Discussion and/or action as necessary: CDBG grant application

The grant is due on 03/25/2016. The Village is able to use the grant for ADA accessible items for parks. With Prairie Village Park equipment needing to be moved now would be a good time to update our offering for ADA compliance. We looked through some catalogs and made a list of items we would like to see. Connie Pasierb will check with the area school districts and check on the ratio of ADA children. ADA includes both physical and mental impairment. Connie Pasierb will meet with Dave Molitor on 03/22/16 to fill out the application.

3. Discussion and/or action as necessary: Road X project with Town of Mukwonago

The Town of Mukwonago is planning some road work on Road X, which the Village shares some of the right away with. Dave Stellpflug has sent an e-mail to Tom Stefanowski the Town Chairman, who he has not heard back from as of yet. We have heard an estimate of \$4,630 but his needs to be confirmed.

4. Discussion and/or action as necessary: Shouldering issues

We did receive 2 quotes for cleanup. Enviricon for \$12,900.00 and one from BHS underground for \$150.00 per hour for the vac truck and 2 laborers. The bid from Enviricon seems overpriced and the quote from BHS has no time limit. Dave Molitor has checked with lance and he has a new broom for his smaller tractor and would charge \$75.00 per hour for the service. We contacted BHS underground and he would be willing to go around after we were to sweep and vac up the piles at \$150.00. We know power brooms we have work but are much smaller and slower and will take too long to complete. As just a guess we are figuring 2 hours of sweeping to 1 hour of vacuuming for a rough dollar amount.

Unanimous approval for a test to allow Lance 4 hours of work and BHS 2 hours of work for a total of \$600.00 as a test. If all goes well Dave Molitor will contact Dave Stellpflug and get permission to continue the project with a cost not to exceed \$4,500.00. On a motion by Dave Stellpflug and 2<sup>nd</sup> by Amber Pellegrino.

If this plan doesn't work we will need to come up with a new plan.

5. Motion to Adjourn.

Unanimous approval for adjournment at 7:20pm on a motion by Amber Pellegrino and 2<sup>nd</sup> by Connie Pasierb.
