

# KM COMMUNITY CENTER

PRE-ELEMENTARY | YOUTH | ADULT | LIBRARY

## Survey

Community vitality thrives when learning doesn't stop at the classroom door. At Kettle Moraine, we see education as a lifelong journey—one that is enriched by recreation, connection, and shared experiences across generations. By intentionally designing programs that meet real community needs, we create spaces where learning feels natural, accessible, and welcoming. That belief is shaping the vision for the new KM Community Center **at the Magee Campus.**
