

You're Invited: Public Informational Meeting

Community Input Needed Regarding the Future of the North Prairie Police Department

The Protective Services Committee is holding a second, critical community meeting regarding the future of our Police Department.

This meeting is especially important. Decisions will be made following this discussion, and community input will play a role in shaping the outcome.

If you want your voice considered, now is the time to participate.

Why Attend?

- Provide information on what our committee has come to understand regarding alternative options and costs for policing North Prairie.
- Understand where we are today, regarding leadership of the department.
- Share concerns, ideas, and ask questions.
- Gather feedback that will directly influence committee recommendations and Board decisions.
- Discuss additional issues our community faces monetarily and the growing discrepancy between costs vs. revenue that could greatly affect each resident.
