

An important message as it relates to your property tax payments. Waukesha County is asking that you try to avoid paying your tax bill in person at the Waukesha County Courthouse. The Courthouse is undergoing a 4-year remodeling construction project. With all the parking restrictions, the front lobby and security area used to access the Treasurer's Office can become congested. There are 3 alternatives methods they are asking residents to use for payment. Here are some links as well [Waukesha County Treasurer webpage](#) and [Pay Property Taxes Online](#)  
If cash is the only form of payment, that will still be accepted in person, but again they are strongly encouraging residents pay using these 3 other methods.

All 2023 first installment tax payments collected by Waukesha County will be mailed a payment receipt.
